Safety Issues

In the interests of safety students are not permitted to enter the water before the start of their lesson and must exit the water at the end of their lesson. All students are not permitted to sit on the pool edge or pool steps. All internal doors are to be kept clear of all personal items at all times. Access behind the pool cover and the terracotta is not permitted to the public, this is a staff only area.

Video / Photographs

Photographic devices include: cameras, video cameras, mobile phones with cameras, and any other device with the ability of capturing a still or moving image.

When using photographic devices, the activities caught in the image should be **localised** to your family members.

Permission is given for parents/guardians/family and family friends to video or photograph their students in lessons. If by accident the image of another student is captured **PERMISSION is NOT GIVEN** to post image to social media networks and should be deleted immediately.

Permission is NOT given and the centre does not approve of tagging Staff Members of the Paragon Swim Centre via videos or photos on social media networks.

Management reserves the right to view any images taken. Refusal may result in the Police being called to view these images.

Use of photographic devices in the change rooms is extremely forbidden.

Technology in the Class Environment

To provide the best possible teaching and learning environment, instructors may use technology within the swimming lesson. The use of iPad's and teaching applications allows students to see immediately where their strengths and weaknesses lie within their swimming technique.

By signing this form you agree to being videoed for teaching purposes only. These images will only be for evaluation and swimming educational purposes only and will not appear on any social media networks.
